We believe that it is important the community knows what motivates us to continually strive to leave people in a better position than when we found them.

Excellence: We strive to achieve and maintain the highest level of service through innovation, professional development and the continuous effort to improve.

Honor: We are an organization rich in tradition and hold our conduct to a high esteem. We show a high level of respect for ourselves, citizens, visitors, and our merit.

Integrity: We are committed to honesty and maintaining the highest ethical standards when interacting with the public, our colleagues and ourselves. We will perform with sincerity and openness to earn the trust and respect of others.

Professionalism: We will demonstrate the highest level of competency, using skill and good judgement, when interacting with our community. We will strictly adhere to courtesy, honesty, and responsibility.
